Hello:

I do not represent anyone or entity, nor am I the General Counsel for any entity. I work business strategy for several holding company entities.

My understanding is that GNTS is in the process of engaging counsel to represent it in this matter. I am happy to provide an update as to GNTS's progress.

Subject: Genesis-Telecom Deposition

Good afternoon Mr. Rao,

I represent FedEx Supply Chain Logistics & Electronics, Inc., related to the involuntary bankruptcy of Goodman Networks, Inc. My partner Danny Van Horn indicated that you represent Genesis Networks Telecom Services, LLC ("Genesis-Telecom") and James Goodman related to a separate matter that he is handling. I also understand that you are General Counsel for Genesis-Telecom. Early this week, my partner Candice Carson issued the attached Subpoena that was served

on Genesis-Telecom. The deposition is set for November 28. We also issued and served a separate subpoena on James Goodman, who is being represented by Matthias Kleinsasser. Matthias indicated that he was not representing Genesis-Telecom. I'd like to confer with you regarding the Subpoena to Genesis-Telecom and possibly moving the deposition to November 29 when Matthias has agreed to make James Goodman available. Is there time tomorrow that you can be available to discuss? I'd propose a call at 11am (central) but can be flexible. Please let me know if there is outside counsel that should also be on the conference.

Best regards,

Adam
